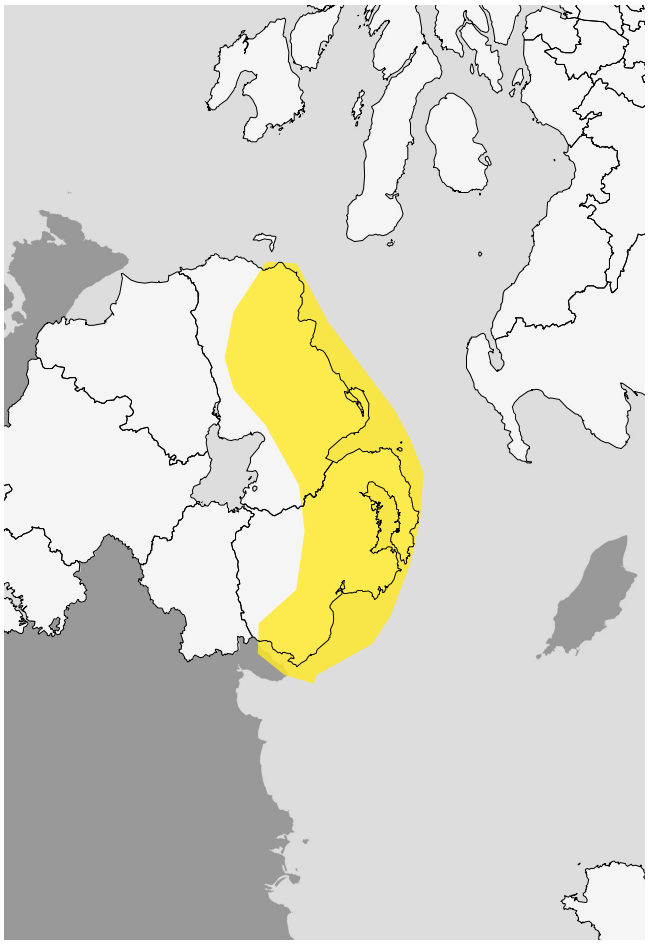
Yellow warning
Thunderstorm

Between
14:01 Tue 27 Jul 2021 and
17:00 Tue 27 Jul 2021



Intense thundery showers with some travel disruption and localised flooding possible

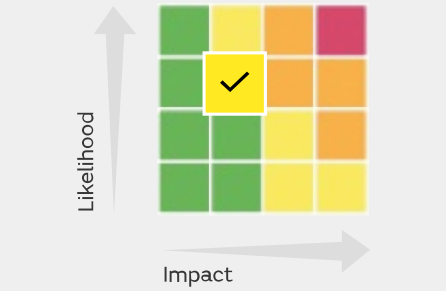
What to expect

- A chance of some damage to a few buildings and structures from lightning strikes
- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Some short term loss of power and other services is possible
- Some flooding of a few homes and businesses possible, leading to some damage to buildings or structures

Further details

Heavy thundery showers across the east of Northern Ireland will give some localised intense downpours. Although many of these will be short lived, in places they may give 20 to 30mm in an hour or less, leading to some surface water flooding and disruption.

The showers will merge with an area of more persistent rain moving east late this afternoon and loose their intensity.



Medium likelihood of low impacts

Issued at 14:01 Tue 27 Jul, 2021
